

## PRE-REGISTERING YOUR HORSE

PLEASE CONTACT EITHER THE REGISTRAR OR THE SECRETARY TO CHECK THE INDIVIDUAL REQUIREMENTS FOR YOUR HORSE PRIOR TO STARTING THE PRE-REGISTRATION PROCESS

**Please include the following, if the information is not already on file with the Society. Please contact the Registrar or Secretary if you are unsure:**

- Mare and/or Stallion pedigree information, copy of registration papers, stallion covering certificate or veterinary insemination report
- Stallion Breeding Permit fees will apply to non-current Irish and “other breed” stallions - \$10 per permit. \$100 for more than 5 permits from the same Stallion for one season
- All currently Registered Irish Draught / Irish Sport Horse Stallions, on the Society’s website, have current DNA profiles on file
- If your horse’s sire is an Irish Draught / Irish Sport Horse and is not on our website, please contact us to confirm if their DNA is on file. If it is not on file you will need to pay to have it DNA typed.
- DNA typing of horses can be done for live horses via mane hair samples (with hair follicles attached, pulled out and not cut) or via frozen semen for deceased stallions.
- DNA testing may need to be undertaken for Mares and Stallions as well as their Progeny (and in some instances ancestors) that you may wish to register as part of the pre-registration process. Please contact the Registrar for confirmation, if you think this may apply to your horse.
- Please scan and email copy of the Horse ID form to the Registrar (filled out by the Vet)
- Please then post the original form to the Registrar.

THE REGISTRAR  
XANDRIA HUGHES  
PO BOX 53  
MIRBOO NORTH VIC 3871
